## Detailed Information on Bills Tracked

### High Priority Bills

<b>Bill Details</b>	<b>Status</b>	<b>Sponsor</b>	<b>Position</b>	
<a href="#">SHB 1160</a> (Dead) (SB 5418)	<b>Sunshine committee</b> <i>Comments:</i> Implements the unanimously-supported recommendations of the Sunshine Committee for 2016. (WCOG PRIORITY)	S State Governmen	Springer	Support
<a href="#">HB 1287</a> (Dead)	<b>Collective bargaining</b> <i>Comments:</i> Makes contract negotiations under collective bargaining open to the public. Eliminates the exemption under the OPMA RCW 42.30.140. (WCOG PRIORITY)	H Labor & Workpla	Chandler	Support
<a href="#">ESHB 1594</a>	<b>Public records admin.</b> <i>Comments:</i> Expands training for public records officers on electronic documents. Requires AGO to identify PRA best practices. Restores archives grant program for local agencies. Studies implementing a statewide open records portal. Requires a surcharge of one dollar per document recorded to fund grant program. Concerns include the extent to which the portal study is needed, using the AG for consultation when they represent agencies, and the lack of model ordinances for agencies.	S Passed 3rd	McBride	Support
<a href="#">EHB 1595</a>	<b>Public records request costs</b>	S Passed 3rd	Nealey	Concerns

*Comments:* Establishes default copying charges for electronic records. Allows agencies to charge a flat \$5 fee per records request instead of other fees. Requires PRA requests to be for "an identifiable record". Disallows requests for all or substantially all of an agency's records. Allows agencies to deny multiple "bot" requests that arrive on the same day. Allows "customized service charges" for requests that require extraordinary work to be done to extract the desired records. Concerns include whether the proposed default charges are reasonably calculated to reimburse agencies for actual costs associated with copying records.

<a href="#"><u>HB 1948</u></a> (Dead)	<b>OPMA/subgroups</b>	H State Govt, El	Harmsworth	Support	<i>Comments:</i> Requires a subcommittee, task force, advisory group, or other work group, created by an action of a governing body, to: (1) Make a meeting open to the public if it relates to a decision to make a policy or fiscal recommendation to a governing body; and (2) Provide notice of the purpose of the meeting online at least twenty-four hours in advance of the start time of the meeting.
<a href="#"><u>HB 1951</u></a> (Dead) (SSB 5545)	<b>Public emp. bargaining/OPMA</b>	H Labor & Workpl	Manweller	Support	<i>Comments:</i> Requires public employee collective bargaining sessions involving contract negotiations to be open to the public. Agencies may choose to videotape sessions instead of opening them to in-person observation if the recordings are made available online within 24 hours.
<a href="#"><u>HB 1989</u></a> (Dead)	<b>OPMA/advisory boards</b>	H State Govt, El	Pollet	Support	<i>Comments:</i> Subjects the following to the requirements of the open public meetings act: An advisory board, committee, or other entity established by a public agency to provide formal advice or recommendations to the agency.
<a href="#"><u>SB 5326</u></a> (Dead)	<b>Law enf. &amp; corr. information</b>	S Law & Justice	Pearson	Oppose	<i>Comments:</i> Requires the requester of records on employees and volunteers of law enforcement and the department of corrections to swear under oath that the records will not be used to "harass, stalk, threaten, or intimidate any person". Requesters should not have to take any oath to obtain public records,
<a href="#"><u>SB 5418</u></a> (Dead) (SHB 1160)	<b>Sunshine committee</b>	S State Governmen	Chase	Support	<i>Comments:</i> Addresses the recommendations of the sunshine committee with regard to the public records act.
<a href="#"><u>SSB 5545</u></a> (Dead) (HB 1951)	<b>Public emp. bargaining/PRA</b>	S Rules X	Wilson	Support	<i>Comments:</i> Requires public employee collective bargaining sessions involving contract negotiations to be open to the public. Agencies may choose to videotape sessions instead of opening them to in-person observation if the recordings are made available online within 24 hours.
<a href="#"><u>SB 5584</u></a> (Dead)	<b>College &amp; univ. presidents</b>	S Rules X	Baumgartner	Oppose	<i>Comments:</i> Exempts from the OPMA and disclosure under the PRA all meetings and records regarding selection of state colleges and universities. Requires such presidents to be confirmed by the senate.

---

<a href="#"><u>SB 5710</u></a> <b>(Dead)</b>	<b>Public records act penalties</b>	S State Governmen	Kuderer	Oppose
<i>Comments:</i> Allows a maximum penalty of five thousand dollars if the court determines that an agency acted in good faith in denying a person the right to inspect or copy a record or the right to receive a response to a public record request within a reasonable amount of time.

## Medium Priority Bills

<u>Bill Details</u>	<u>Status</u>	<u>Sponsor</u>	<u>Position</u>	
<a href="#"><u>SHB 1043</u></a> <b>(SB 5124)</b>	<b>Personal health information</b>	S Passed 3rd	Robinson	Concerns
<i>Comments:</i> Creates a new PRA exemption for all personally-identifying health care information that comes into the possession of the Insurance Commissioner. This is likely reasonable in view of HIPPA. However, the bill does not link to the new exemption from the PRA, which makes it hard to find.				
<a href="#"><u>ESHB 1097</u></a>	<b>Hunting/tribal consultation</b>	S 2nd Reading	Sawyer	Concerns
<i>Comments:</i> Authorizes tribes to request a meeting with the governor and the fish and wildlife commission regarding a specific fish and wildlife department policy, rule, or action that affects tribal hunting rights, and allows such meetings to be closed to the public (exempt from the OPMA). It also does not amend the OPMA to add the exception. The meetings should be open to the public if a quorum of the Commission is involved. If there are legitimate reasons for these to be closed meetings, it should be done by adding the meeting to RCW 42.30.110(1) or RCW 42.30.140.				
<a href="#"><u>HB 1102</u></a> <b>(Dead)</b>	<b>Govt surveillance technology</b>	H Public Safety	Taylor	Concerns
<i>Comments:</i> Agencies may obtain and use "extraordinary sensing devices" under specific circumstances. Prohibits disclosure of information obtained using such devices unless it was collected under a search warrant and there is probable cause that the information is evidence of criminal activity. Information must be destroyed within 30 days or less if it is not evidence of criminal activity. However, early destruction of information also destroys evidence of inappropriate use of devices, making it harder for watchdogs to detect improper behavior by law enforcement agencies.				
<a href="#"><u>HB 1159</u></a> <b>(Dead)</b> <b>(SSB 5120)</b>	<b>Employmnt after govt service</b>	H Rules R	Pellicciotti	Support
<i>Comments:</i> Addresses the postemployment of former state officers and state employees.				
<a href="#"><u>SHB 1317</u></a> <b>(Dead)</b> <b>(SSB 5207)</b>	<b>GPS data disclosure</b>	H Rules C	McBride	Concerns
<i>Comments:</i> Exempts global positioning system data that would indicate the location of the residence of a public employee or volunteer. Will be extremely expensive and cumbersome to implement since it applies to employees and volunteers of ANY agency, not just the agency from which the data is requested.				
<a href="#"><u>HB 1337</u></a> <b>(SB 5221)</b>	<b>Medical licensure compact</b>	H ref/S recede	Riccelli	Concerns
<i>Comments:</i> Creates a new PRA exemption for "Information distributed to any Washington health profession board or commission by an interstate health professions licensure compact or member boards". It is unclear that the exemption needs to be this broad.				

---

<a href="#"><u>SHB 1376</u></a> (Dead)	<b>Paint stewardship</b>	H 2nd Reading	Peterson	Concerns
	<i>Comments:</i> Exempts from disclosure records filed with the department of ecology under this act that a court has determined are confidential valuable commercial information. The new exemption is probably not necessary since there is already a broad exemption for confidential trade secret information. There is also no need to replicate procedural information.			
<a href="#"><u>ESHB 1465</u></a>	<b>Wolf depredation/public recs</b>	S Passed 3rd	Short	Concerns
	<i>Comments:</i> Exempts the following from public disclosure under the public records act: (1) Private information regarding damage prevention cooperative agreements and nonlethal preventative measures deployed to minimize wolf interactions with pets and livestock; and (2) Information regarding a reported depredation by wolves on pets or livestock. Concerns are that it exempts specific information about actions taken by public employees.			
<a href="#"><u>HB 1471</u></a> (Dead) (SB 5335)	<b>17 year olds/voter reg info</b>	H State Governme	Bergquist	Concerns
	<i>Comments:</i> Exempts from disclosure Information contained in voter preregistration records. Concerns are that the exemption is added to 42.56.250 which is on "Employment and Licensing"; would be more appropriate to add to 42.56.230 on "Personal information".			
<a href="#"><u>SHB 1501</u></a>	<b>Attempts to obtain firearms</b>	S 2nd Reading	Hansen	Concerns
	<i>Comments:</i> Requires a firearms dealer to report information to the Washington state patrol when the dealer denies an application for the purchase or transfer of a firearm as the result of a background check. Requires the Washington state patrol to: (1) Maintain a database that consists of the information received from a firearms dealer; and (2) Investigate denied firearm purchase or transfer applications. Requires the Washington association of sheriffs and police chiefs to create and operate a statewide automated protected person notification system. Creates two new PRA exemptions for these databases, but does not cross-reference them from 42.56.			
<a href="#"><u>SHB 1516</u></a> (Dead)	<b>Public records internet site</b>	H Approps	MacEwen	Concerns
	<i>Comments:</i> Requires the director of the consolidated technology services agency to: (1) Establish an internet-based data storage system with the ability to collect and store the electronic records of all local public agencies; and (2) Provide the records for inspection and copying through a searchable central portal on a state web site. Requires each local public agency of the state to transmit all of its public records that are in a digital format to the data storage system. Concerns are that this may duplicate the Digital Archives provided by the state archivist; that it applies to "all" electronic records which may be difficult to implement given the transitory nature of so many records; and it does not clearly indicate which agency is responsible for review and redaction for records exemptions and responsible for wrongly withheld records.			
<a href="#"><u>HB 1646</u></a> (SB 5509)	<b>Carbon tax</b>	H Environment	Fitzgibbon	Concerns
	<i>Comments:</i> Creates a carbon tax. Section 209 creates a new PRA exemption for confidential proprietary information submitted by energy intensive and trade exposed facilities, which is a reasonable exemption, but it does not cross-reference the new exemption from the PRA (42.56.270).			
<a href="#"><u>SHB 1717</u></a>	<b>Biometric identifiers</b>	S Passed 3rd	Smith	Concerns
	<i>Comments:</i> Prohibits state agencies from collecting, capturing, purchasing, or otherwise obtaining a biometric identifier unless certain conditions are met. Sec. 2(5) creates a new PRA exemption for biometric identifiers, but does not cross-reference it from the PRA itself.			

<a href="#">ESHB 1807</a> (Dead) (SB 5219)	<b>Campaign finance disclosure</b> <i>Comments:</i> Requires the disclosure of contributions and expenditures by nonprofit organizations that participate significantly in elections.	S State Governmen	Pellicciotti	Support
<a href="#">HB 1833</a>	<b>Financial reporting</b> <i>Comments:</i> Expands and clarifies reporting of personal financial affairs (PDC F-1 statements). Adjusts reporting thresholds. Adds more categories of value. Codifies exemption of reporting residence address for judges, prosecutors, and sheriffs.	S 2nd Reading	Dolan	Support
<a href="#">SHB 1834</a> (Dead)	<b>Campaign finance reporting</b> <i>Comments:</i> Eliminates special 21-day and 7-day pre-election reports. Increases threshold for last-minute contribution reports from \$1000 (aggregate) to \$10,000 (per contribution). Eliminates PDC daily summary of LMC reports. Eliminates the special cap on contributions during the last 21 days of a campaign.	H Rules R	Dolan	Neutral
<a href="#">SSB 5120</a> (Dead) (HB 1159)	<b>Lobbying activity</b> <i>Comments:</i>	S Ways & Means	Carlyle	Support
<a href="#">SB 5124</a> (Dead) (SHB 1043)	<b>Personal health information</b> <i>Comments:</i> Creates a new PRA exemption for all personally-identifying health care information that comes into the possession of the Insurance Commissioner. This is likely reasonable in view of HIPPA. However, the bill does not link to the new exemption from the PRA, which makes it hard to find.	S Health Care	Rivers	Concerns
<a href="#">SSB 5207</a> (SHB 1317)	<b>GPS data disclosure</b> <i>Comments:</i> Exempts global positioning system data that would indicate the location of the residence of a public employee or volunteer. Will be extremely expensive and cumbersome to implement since it applies to employees and volunteers of ANY agency, not just the agency from which the data is requested. Concerns were addressed in the substitute bill.	Del to Gov	Kuderer	Neutral
<a href="#">SB 5219</a> (Dead) (ESHB 1807)	<b>Campaign finance disclosure</b> <i>Comments:</i> Requires the disclosure of contributions and expenditures by nonprofit organizations that participate significantly in elections.	S State Governme	Billig	Support
<a href="#">SB 5221</a> (Dead) (HB 1337)	<b>Medical licensure compact</b> <i>Comments:</i> Creates a new PRA exemption for "Information distributed to any Washington health profession board or commission by an interstate health professions licensure compact or member boards". It is unclear that the exemption needs to be this broad.	S Rules X	Fain	Concerns
<a href="#">SB 5335</a> (Dead) (HB 1471)	<b>17 year olds/voter reg info</b> <i>Comments:</i> Exempts from disclosure Information contained in voter preregistration records. Concerns are that the exemption is added to 42.56.250 which is on "Employment and Licensing"; would be more appropriate to add to 42.56.230 on "Personal information".	S State Governme	Fain	Concerns
<a href="#">SB 5419</a> (Dead)	<b>Paint stewardship</b>	S Energy, Enviro	Chase	Concerns

*Comments:* Exempts from disclosure records filed with the department of ecology under this act that a court has determined are confidential valuable commercial information. The new exemption is probably not necessary since there is already a broad exemption for confidential trade secret information. There is also no need to replicate procedural information.

<a href="#"><u>SB 5464</u></a> <b>(Dead)</b> <b>(HB 2059)</b>	<b>Washington investment trust</b>	S Fin Inst/Ins	Hasegawa	Concerns
<i>Comments:</i> Creates a state "investment trust", which is effectively a state bank. Exempts from disclosure "Examination reports and information obtained by the department of financial institutions". Such reports on the performance of a state-run institution should not be exempt from disclosure.				
<a href="#"><u>SB 5509</u></a> <b>(HB 1646)</b>	<b>Carbon tax</b>	S Energy, Enviro	Carlyle	Concerns
<i>Comments:</i> Creates a carbon tax. Section 209 creates a new PRA exemption for confidential proprietary information submitted by energy intensive and trade exposed facilities, which is a reasonable exemption, but it does not cross-reference the new exemption from the PRA (42.56.270).				
<a href="#"><u>SB 5687</u></a> <b>(Dead)</b>	<b>Guardianship curriculum</b>	S Health Care	Rivers	Concerns
<i>Comments:</i> Reiterates that training curriculum and materials for a certified professional guardianship course or program of a public agency. CONCERN is that this doesn't need to be a separate PRA section and is redundant, since the material should already be considered disclosable.				
<a href="#"><u>SB 5737</u></a> <b>(Dead)</b>	<b>Lobbying activity</b>	S State Governmen	Rivers	Support
<i>Comments:</i> Requires lobbyists reports to be filed electronically. Requires government agency lobbyists to register and file reports the same as other lobbyists. Prohibits certain former state officers and state employees from receiving compensation from certain sources within one year after leaving state office or employment.				
<a href="#"><u>ESB 5761</u></a>	<b>Fish &amp; shellfish info. disc.</b>	Del to Gov	McCoy	Concerns
<i>Comments:</i> Exempts the following from disclosure under the public records act: Confidential fish or shellfish harvest information shared with the department of fish and wildlife by a tribe, including fisher name and signature, harvest weight, value, and tax information.				
<a href="#"><u>SB 5784</u></a> <b>(Dead)</b>	<b>Materials of volunteers/PRA</b>	S State Governmen	Kuderer	Concerns
<i>Comments:</i> Exempts information of certain volunteers from disclosure under the public records act. Concerns include the scope of the definition of volunteer and the context in which the records came into possession of the volunteer (e.g., being a self-identified volunteer should not by itself confer a blanket exemption from records disclosure).				
<a href="#"><u>SB 5791</u></a> <b>(Dead)</b>	<b>Public disclosure commission</b>	S Rules X	Braun	Concerns
<i>Comments:</i> Changes the PDC appointment process so that four members are appointed by the legislative political caucuses and they select the fifth member as chair. Revises the process for reporting large contributions late in a campaign.				

## Low Priority Bills

<u>Bill Details</u>	<u>Status</u>	<u>Sponsor</u>	<u>Position</u>	
<a href="#"><u>SHB 1047</u></a> (Dead)	<b>Medication disposal system</b>	H Rules C	Peterson	Neutral
	<i>Comments:</i> Establishes a drug take-back program for secure collection and disposal of unwanted medications. Exempts from disclosure proprietary information submitted to the Department of Health under the act. This is a reasonable exemption consistent with similar exemptions for proprietary business information.			
<a href="#"><u>HB 1104</u></a> (Dead)	<b>Unlawful entry/private prop.</b>	H Judiciary	Taylor	Concerns
	<i>Comments:</i> Establishes the following crimes: Trespassing to unlawfully collect resource data from private land; unlawfully collecting resource data if he or she enters onto private land and collects resource data from private land; and trespassing to access adjacent or proximate land. Requires that resource data illegally collected must be destroyed. WCOG generally does not support destruction of evidence of government misconduct.			
<a href="#"><u>SHB 1152</u></a> (Dead) (SB 5101)	<b>Marijuana business contracts</b>	H Rules R	Blake	Neutral
	<i>Comments:</i> Authorizes a licensed marijuana business to enter into a licensing agreement or consulting contract. Exempts from disclosure trade secrets, technology, proprietary information, and financial considerations contained in such agreements or contracts, entered into by a licensed marijuana business, that may be submitted to or obtained by the state liquor and cannabis board. This is a reasonable exemption consistent with other exemptions for confidential proprietary business information.
