ESHB 1594	Public records admin. <i>Comments:</i> Expands training for public records officers on electronic documents. Requires AGO to identify PRA best practices. Restores archives grant program for local agencies. Studies implementing a statewide open records portal. Requires a surcharge of one dollar per document recorded to fund grant program. S Ways & Means	McBride	Support
EHB 1595	Public records request costs <i>Comments:</i> Establishes default copying charges for electronic records. Allows agencies to charge a flat \$5 fee per records request instead of other fees. Requires PRA requests to be for "an	S 2nd Reading	Nealey	Concerns

identifiable record". Disallows requests for all or substantially all of an agency's records. Allows agencies to deny multiple "bot" requests that arrive on the same day. Allows "customized service charges" for requests that require extraordinary work to be done to extract the desired records. Concerns include whether the proposed default charges are reasonably calculated to reimburse agencies for actual costs associated with copying records.

<u>HB 1948</u> (Dead)	OPMA/subgroups	H State Govt, El	Harmsworth	Support
<i>Comments:</i> Requires a subcommittee, task force, advisory group, or other work group, created by an action of a governing body, to: (1) Make a meeting open to the public if it relates to a decision to make a policy or fiscal recommendation to a governing body; and (2) Provide notice of the purpose of the meeting online at least twenty-four hours in advance of the start time of the meeting.

Public records act penaltiesS State
Governmen

Kuderer

Oppose

[SB 5710](#)
(Dead)

Comments: Allows a maximum penalty of five thousand dollars if the court determines that an agency acted in good faith in denying a person the right to inspect or copy a record or the right to receive a response to a public record request within a reasonable amount of time.

Medium Priority Bills**Bill Details****Status****Sponsor****Position****Personal health information**

S Rules 2

Robinson

Concerns

[SHB 1043](#)
(SB 5124)

Comments: Creates a new PRA exemption for all personally-identifying health care information that comes into the possession of the Insurance Commissioner. This is likely reasonable in view of HIPPA. However, the bill does not link to the new exemption from the PRA, which makes it hard to find.

Hunting/tribal consultation

S Rules 2

Sawyer

Concerns

[ESHB 1097](#)

Comments: Authorizes tribes to request a meeting with the governor and the fish and wildlife commission regarding a specific fish and wildlife department policy, rule, or action that affects tribal hunting rights, and allows such meetings to be closed to the public (exempt from the OPMA). It also does not amend the OPMA to add the exception. The meetings should be open to the public if a quorum of the Commission is involved. If there are legitimate reasons for these to be closed meetings, it should be done by adding the meeting to RCW 42.30.110(1) or RCW 42.30.140.

Govt surveillance technology

H Public Safety

Taylor

Concerns

[HB 1102](#)
(Dead)

Comments: Agencies may obtain and use "extraordinary sensing devices" under specific circumstances. Prohibits disclosure of information obtained using such devices unless it was collected under a search warrant and there is probable cause that the information is evidence of criminal activity. Information must be destroyed within 30 days or less if it is not evidence of criminal activity. However, early destruction of information also destroys evidence of inappropriate use of devices, making it harder for watchdogs to detect improper behavior by law enforcement agencies.

Employment after govt service

H Rules R

Pellicciotti

Support

[HB 1159](#)
(Dead)
(SSB 5120)

Comments: Addresses the postemployment of former state officers and state employees.

GPS data disclosure

H Rules C

McBride

Concerns

[SHB 1317](#)
(Dead)
(SSB 5207)

Comments: Exempts global positioning system data that would indicate the location of the residence of a public employee or volunteer. Will be extremely expensive and cumbersome to implement since it applies to employees and volunteers of ANY agency, not just the agency from which the data is requested.

Medical licensure compact

S 2nd Reading

Riccelli

Concerns

[HB 1337](#)
(SB 5221)

Comments: Creates a new PRA exemption for "Information distributed to any Washington health profession board or commission by an interstate health professions licensure compact or member boards". It is unclear that the exemption needs to be this broad.

Paint stewardship

H 2nd Reading

Peterson

Concerns

[SHB 1376](#)
(Dead)

Comments: Exempts from disclosure records filed with the department of ecology under this act that a court has determined are confidential valuable commercial information. The new exemption is probably not necessary since there is already a broad exemption for confidential trade secret information. There is also no need to replicate procedural information.

[ESHB 1465](#)

Wolf depredation/public recs

S 2nd Reading

Short

Concerns

Comments: Exempts the following from public disclosure under the public records act: (1) Private information regarding damage prevention cooperative agreements and nonlethal preventative measures deployed to minimize wolf interactions with pets and livestock; and (2) Information regarding a reported depredation by wolves on pets or livestock. Concerns are that it exempts specific information about actions taken by public employees.

[HB 1471](#)
(Dead)
(SB 5335)

17 year olds/voter reg info

H State
Governme

Bergquist

Concerns

Comments: Exempts from disclosure Information contained in voter preregistration records. Concerns are that the exemption is added to 42.56.250 which is on "Employment and Licensing"; would be more appropriate to add to 42.56.230 on "Personal information".

[SHB 1501](#)

Attempts to obtain firearms

S Ways &
Means

Hansen

Concerns

Comments: Requires a firearms dealer to report information to the Washington state patrol when the dealer denies an application for the purchase or transfer of a firearm as the result of a background check. Requires the Washington state patrol to: (1) Maintain a database that consists of the information received from a firearms dealer; and (2) Investigate denied firearm purchase or transfer applications. Requires the Washington association of sheriffs and police chiefs to create and operate a statewide automated protected person notification system. Creates two new PRA exemptions for these databases, but does not cross-reference them from 42.56.

[SHB 1516](#)
(Dead)

Public records internet site

H Approps

MacEwen

Concerns

Comments: Requires the director of the consolidated technology services agency to: (1) Establish an internet-based data storage system with the ability to collect and store the electronic records of all local public agencies; and (2) Provide the records for inspection and copying through a searchable central portal on a state web site. Requires each local public agency of the state to transmit all of its public records that are in a digital format to the data storage system. Concerns are that this may duplicate the Digital Archives provided by the state archivist; that it applies to "all" electronic records which may be difficult to implement given the transitory nature of so many records; and it does not clearly indicate which agency is responsible for review and redaction for records exemptions and responsible for wrongly withheld records.

[HB 1646](#)
(SB 5509)

Carbon tax

H
Environment

Fitzgibbon

Concerns

Comments: Creates a carbon tax. Section 209 creates a new PRA exemption for confidential proprietary information submitted by energy intensive and trade exposed facilities, which is a reasonable exemption, but it does not cross-reference the new exemption from the PRA (42.56.270).

[SHB 1717](#)

Biometric identifiers

S Rules 2

Smith

Concerns

Comments: Prohibits state agencies from collecting, capturing, purchasing, or otherwise obtaining a biometric identifier unless certain conditions are met. Sec. 2(5) creates a new PRA exemption for biometric identifiers, but does not cross-reference it from the PRA itself.

SB 5419 (Dead)	Paint stewardship	S Energy, Enviro	Chase	Concerns

Comments: Exempts from disclosure records filed with the department of ecology under this act that a court has determined are confidential valuable commercial information. The new exemption is probably not necessary since there is already a broad exemption for confidential trade secret information. There is also no need to replicate procedural information.

<u>SB 5464</u> (Dead) (HB 2059)	Washington investment trust	S Fin Inst/Ins	Hasegawa	Concerns
<i>Comments:</i> Creates a state "investment trust", which is effectively a state bank. Exempts from disclosure "Examination reports and information obtained by the department of financial institutions". Such reports on the performance of a state-run institution should not be exempt from disclosure.				
<u>SB 5509</u> (HB 1646)	Carbon tax	S Energy, Enviro	Carlyle	Concerns
<i>Comments:</i> Creates a carbon tax. Section 209 creates a new PRA exemption for confidential proprietary information submitted by energy intensive and trade exposed facilities, which is a reasonable exemption, but it does not cross-reference the new exemption from the PRA (42.56.270).				
<u>SB 5687</u> (Dead)	Guardianship curriculum	S Health Care	Rivers	Concerns
<i>Comments:</i> Reiterates that training curriculum and materials for a certified professional guardianship course or program of a public agency. CONCERN is that this doesn't need to be a separate PRA section and is redundant, since the material should already be considered disclosable.				
<u>SB 5737</u> (Dead)	Lobbying activity	S State Governmen	Rivers	Support
<i>Comments:</i> Requires lobbyists reports to be filed electronically. Requires government agency lobbyists to register and file reports the same as other lobbyists. <u>ESB 5761</u>	Fish & shellfish info. disc.	H 2nd Reading	McCoy	Concerns

<u>SB 5784</u> (Dead)	Materials of volunteers/PRA	S State Governmen	Kuderer	Concerns
<i>Comments:</i> Exempts information of certain volunteers from disclosure under the public records act. Concerns include the scope of the definition of volunteer and the context in which the records came into possession of the volunteer (e.g., being a self-identified volunteer should not by itself confer a blanket exemption from records disclosure).				
<u>SB 5791</u> (Dead)	Public disclosure commission	S Rules X	Braun	Concerns
<i>Comments:</i> Changes the PDC appointment process so that four members are appointed by the legislative political caucuses and they select the fifth member as chair. Revises the process for reporting large contributions late in a campaign.
